Dear Applicant,

Professional Insurance Exchange Mutual, Inc. (PIE) is pleased to have the opportunity to provide you with an application for malpractice insurance coverage. We are looking forward to a long and happy working relationship with you. Please review the following checklist, complete the necessary items, and return them to us in person, by e-mail or by fax.

_____ Fill out the **Application** completely.

_____ Sign and return one copy of the Subscriber Agreement

_____ Send us your application and a copy of your current dental license. If you have been practicing for a any period of time in or outside Utah, you will need to also send us a Claim/Loss Run from each prior malpractice insurance carrier that lists dates of coverage and any claims incurred.

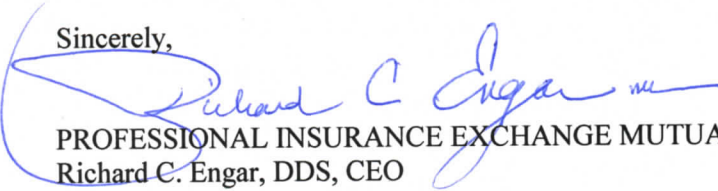

_____ Click on "Reference Items" to access a copy of the Subscriber Agreement or PIE's Privacy Policy if you wish to download a copy of these documents.

Please note that there are different rates for different practice situations such that you need PIE Class II coverage if you plan to do IV sedation, obtain hospital privileges and/or if you provide oral sedation to your patients, or if you plan to have another professional come to your office to provide these services. You will need the H-rider if you plan to have hygienists give local anesthetics to your patients unless the hygienists have their own coverage. PIE Class I and Class II Coverages have no correlation with the state of Utah's Class I and II anesthesia permits.

You can mail the application along with a check for the applicable premium made out to PIE for the coverage amount you need listed on the rate schedule and the time interval you wish to pay (annual, semi-annual or quarterly), or you can scan and e-mail the application to us and pay the premium over the telephone with your credit card.

Please return the application and requested supporting documents as soon as possible so we will have time to process them and make your coverage effective on the date you specify. Thank you for your interest in PIE. If you have any further questions, please don't hesitate to call us at 801-262-0200 or e-mail at info@pieutah.org.

Sincerely,

PROFESSIONAL INSURANCE EXCHANGE MUTUAL, INC.
Richard C. Engar, DDS, CEO
